Showcase? What's that?

The Talent Showcase allows anyone to view talent from your Agency by clicking your LittleBlackBook Logo on WholeBangShoot.

NB: If you select talent to Showcase, the link to your Agency website on the LittleBlackBook will be replaced.

How does it work?

There are two ways to showcase your talent.

Option 1 – Bulk Talent Showcase

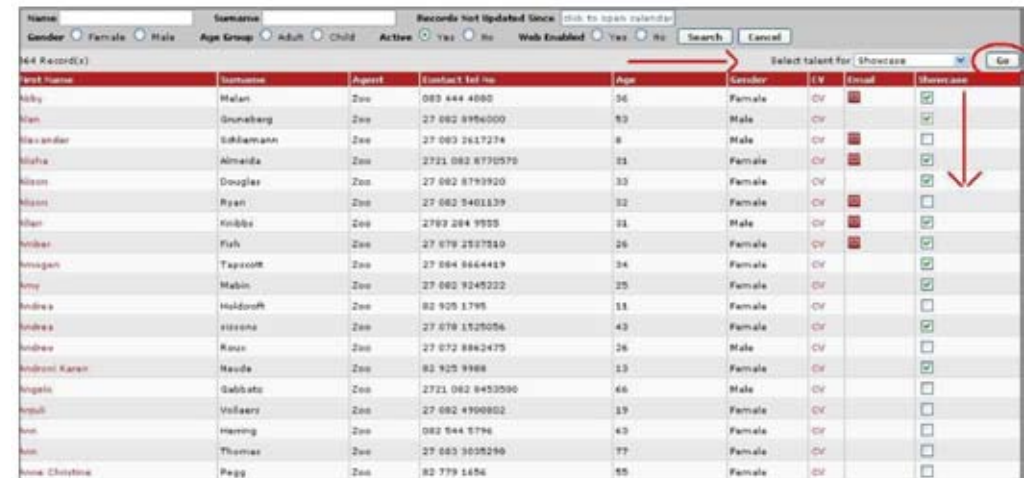

Select the 'Find Talent' button.

When the search function is displayed, do NOT enter anything specific, hit search (This will pull up all your talent records on WBS).

On the top right hand side you will see a drop down menu in which you can select your talent for Email or Showcase. You have the Option to Select ALL talent for the showcase or a few.

To select records of your own choice, in the drop down select 'Showcase', you will notice Tick boxes appear next to the talent record, see below. Tick the boxes of the talent you would like to showcase and click 'GO'.

By selecting 'Showcase All', all your talent on the page will automatically be inserted into your Showcase after you click 'GO'.

The search function will then be displayed. Type in the talents name and surname and click 'Search'.

The talent record will be displayed on the 'Details' tab.

The Showcase option is displayed below the Fax Number on the talent record. Select the tick box 'Yes' and click 'OK' at the bottom of the page to save.
